Seeing as it's Christmas I might as well come out of the closet at least and admit to being a poetry freak. And this year I'm out to get the rest of you. To do it, I'm using **Strictly Private**. Enough said, seeing as the first edition's sold out and it's gone to a second. Some think that Roger McGough should go to gaol immediately, without collecting the £200, because there's a real risk that he could spread this minority madness to the masses. I'd buy this book for any kid over 12 who's been immune so far.
