Love, liars, looking for friends - **The Penguin in the Fridge** is a mixture of the lighthearted and the more thoughtful moments in life. The 'wacky' title of this collection is misleading - there are some real gems inside.

There are lots of ludicrous poems about reptiles and amphibians in **Welcome to the Snake House**. Some good fun is to be found amongst the pages, but after a while, the relentless jokes about snakes and crocodiles begin to pall.

Running Order:

33
