Four more of the stories about this delightful king and his friends: **King Rollo and the Dishes; King Rollo and the Balloons; King Rollo and King Frank; King Rollo and the Search**, in a single volume. The changed format (from the original pocket-size books) with its four frames per page, gives this one more of the feel of a comic book perhaps meaning that its appeal will be to a slightly different audience. However, anyone who has yet to make the acquaintance of the endearing monarch should take this opportunity to do so.
