Sophy Henn's adorable illustrations find their perfect home in this chunky board book perfect for a tiny tot's bedtime routine. Ted keeps being told it's bedtime, but he's just so busy; having a bath with some splashy penguins, brushing his teeth with a snappy crocodile, slurping his milk with a stripy tiger and jumping out his fidgets with a kangaroo. Finally everything is done and Ted is ready for bed. The final fold out shows Ted in bed with all of his cuddly toys ? the same animals who were helping him get ready. A vintage palette, sturdy pages with big flaps for little fingers and Sophy's delightful characters make this a pretty perfect little book. Look out for **Playtime with Ted**, and the forthcoming **Dress Up with Ted** and **Time to Go with Ted**.
