The description on the back of the book states that it is a 'delightfully simple story with pictures that glow'. The children were completely bowled over by the illustrations using words such as 'soft and shiny', 'fuzzy', 'like you feel when you can't open your eyes in the morning', 'just like when a torch is shining' and 'smudgy but not mixed up'. Lynne Dennis certainly catches that bleary-eyed early morning, other worldly feeling with her out of focus images which is just right considering the fact that Rabbit's 'early morning' is in fact the middle of the night!
