Book

BfK Rating:

0

The candyfloss packaging is likely to restrict this book's readership to young females in search of the traditional girl-meets-handsome-hunk formula. This is a pity, since the stories are wider ranging than the title and cover suggest, and several of them deal with the *boys'* anxieties and insecurities. The quality is somewhat uneven, but the contributions by Margaret Mahy, Jan Mark and Toeckey Jones are worth recommending to teenagers of both sexes.
