A follow-up to **More to Life than Mr Right**. Seven 'more stories for young feminists' which tackle a variety of issues such as inequality, stereotyping and lesbianism in ways which are often thoughtful and revealing. Two very different stories worth following up could be the bleak 'Different Rules' by Sandra Chick and 'Three Fables' by Sunita Manjoshi - a reshaping of traditional stories in a witty, knowing style which could be enjoyably parodied and explored.
