BfK Rating:

0

An appealing collection of ten short stories - tightly woven narratives which engage the reader's imagination and encourage speculation and interpretation. Superficial details are ignored and the focus is sharply on the main characters and issues - lesbian love, anorexia, homelessness, mental illness - disaffection; a failure to fit the expected pattern. Perfect for GCSE use and accessible to lower-ability pupils - but £3.99! How many classrooms will be able to afford it?

Running Order:

20
