Set in war-ravaged Angola, this is a starkly realistic tale of survival and persecution. Malenga, a volunteer nurse and daughter of a freedom fighter, is taken hostage by mercenaries; against all odds, she forms a close bond with another prisoner, Hamish, a deserter from the South African army. The clipped, cryptic style sometimes confuses but is appropriate to the knife-edge situations faced by the characters. Necessarily grim, but not without optimism; recommended for the discerning teenager.
