Harry's 'Mad' is Madison, a brilliantly special Grey African parrot which he inherits from his late, rich Great Uncle George. Mad is a smooth talker and a genius at games and puzzles: Harry's life is transformed - until precious Mad is stolen. Life is even worse when kindly, but misguided, Dad buys Harry a stupid, prattling replacement called Fweddy. Then Harry receives a reversed charges call from Madison - and the search is on! Mike Walling characterises the parrots cleverly and makes the whole story vibrant with energy.
