Ruby's parents would like their precious girl to marry a prince when she grows up, but that's the last thing Ruby wants. As Reckless Ruby, she dances like a Russian acrobat from the bars of her moving bike and dangles from skyscrapers by her shoe laces - until, having had her patched up, her parents agree she'll *never* be prince's-wife material. This is a wonderfully zippy story with sound effects, like Ruby's lead boots splashing through the water, plenty of funny character voices from Victoria Wood, and Ruby bursts out from the witty Tony Ross illustrations in the book.
