This excitingly different book - a huge 12" x 16" paperback - is big enough for a group of children to see at the same time and it comes with a cassette of songs and music. Made following New Peckham Varieties' shows for the Under Fives, the songs and narrative links cover Johnny getting up for his first day at school. Lazy and lively, the songs are about getting dressed, brushing teeth and so on, with plenty of join-in action and repetition. Good for young groups and also for ESL children or older listeners with learning difficulties.
