A collection based in drama, dance and music. The links are mostly a good reason to gather some individual stories and extracts from novels, including **A Little Lower Than the Angels**, **A Swarm in May** and **The Enchanted Castle**. There's a funny William story interpreting Shakespeare and strong contributions by Denis Hamley and Adèle Geras. Ideal for teachers to read from and for children to dip into and gain tasters of some excellent books.

Running Order:

34
