Sequel to **Private** --- **Keep Out!** (0006716520, 80p. **BFK4**) so obviously worth having. It stands alone, too, since our Nottinghamshire lass details all the family again before she's whisked off for a year in a Kent hospital/school because she's anaemic. This makes slowish start but, thereafter, it's the mischief as before. Interesting 49/50 social details --- why not give the Romans and Vikings a rest and do some real history? 9+.
