When Leo's well-meaning parents decide he's big enough to have his own room, they decorate it with jungle wallpaper. Leo's fearful reaction is predictably but amusingly depicted by Rachel Pank. The volume of this reaction quells the disbelief of the jungle animals as they try to come to terms with their minuscule King. From that day on, to his parents' amazement, Leo goes happily to bed each night - to rule over his jungle subjects.

Running Order:

85
