The grass is always greener, or so thinks Miss Bilberry as she packs up her belongings and sets off with Cecilie the dog, Chester the cat, and the two birds, Chitty and Chatty, to the other side of the blue mountains. They push the cart for many miles through all kinds of weather, for days and nights, on and on, getting more and more lost. Then, at last, Chitty and Chatty return with exciting news. Soon things are quite perfect in their lovely 'new' house but Chester knows more than he's saying and maybe - just maybe - Miss Bilberry shares his secret... Readers and listeners will enjoy the joke and they'll find Miss Bilberry an endearing character as she trudges through the lush tropical terrain.
