For all fans of Penny Dale's **Ten in the Bed**, this is a must. The book uses the same toy animals but this time we explore the imaginary fantasy of each - ranging through Bear's choice of Pirates, Sheep's idea of heaven as starring in **Come Dancing** to Croc's game of Ghosts! There's so much to talk about on every page until, tired and sleepy, one by one, the bed is full of the sleeping friends. Penny Dale's illustrations are always stunning, but her text is also 'special'.
